**Subject: Request for clarification as to the procedure of Track switching (from Track 1 to Track 2).**

Dear Mr. Muhammed Quamrul Chowdhury 2,

VEMA S.A. being a project participant in numerous Joint Implementation projects in Ukraine herewith submits a clarification request in respect of the following:

Please clarify the procedure to switch JI project registered under the Track 1 procedure to Track 2 when such a project has already got positive determination and has been doing verifications under Track 1 procedure.

Please kindly clarify and provide detailed information regarding the procedure of Track switching, from Track 1 to Track 2 of projects which have final positive determination and verification procedures and the procedure of issuance of respective ERUs.

Please also kindly advise what is the procedure of receiving a new ITL number for Track 2 in case of the above mentioned Track switch from Track 1 to Track 2.

Sincerely yours,

Fabian Knodel
