

Annex 5

**CLARIFICATION REGARDING SCOPES AND STEPS OF WITNESSING ACTIVITIES
UNDER THE JOINT IMPLEMENTATION ACCREDITATION PROCEDURE**

**CLARIFICATION REGARDING SCOPES AND STEPS OF WITNESSING ACTIVITIES
UNDER THE JOINT IMPLEMENTATION ACCREDITATION PROCEDURE**

1. Witnessing concerning the function “determination regarding a project design document (PDD)” referred to in the “Procedure for accrediting independent entities by the Joint Implementation Supervisory Committee” (JI accreditation procedure) shall cover the steps from making a PDD publicly available through the secretariat in accordance with paragraph 32 of the annex to decision 9/CMP.1 (JI guidelines) up to immediately before making the determination regarding the PDD publicly available through the secretariat in accordance with paragraph 34 of the JI guidelines.
2. Witnessing concerning the function “determination of emission reductions or enhancements of removals” referred to in the JI accreditation procedure shall cover the steps from making a monitoring report publicly available through the secretariat in accordance with paragraph 36 of the JI guidelines up to immediately before making the determination based on the monitoring report publicly available through the secretariat in accordance with paragraph 38 of the JI guidelines.
3. An applicant independent entity (IE) can make a PDD or monitoring report publicly available through the secretariat in the context of a witnessing activity only after the joint implementation assessment team (JI-AT) has accepted the corresponding project as a witnessing opportunity.
4. In the course of a witnessing activity the applicant IE shall submit a determination to the JI-AT through the secretariat.
5. The JI-AT shall consider the determination referred to in paragraph 4 above as part of the witnessing evidence which is to be reported to the Joint Implementation Accreditation Panel.
6. An applicant IE has to be accredited for the corresponding sectoral scope(s) and function(s) before making the determination publicly available through the secretariat in accordance with paragraphs 34 or 38 of the JI guidelines.
7. Paragraphs 3-6 above apply to designated operational entities under the clean development mechanism acting provisionally as accredited independent entities in accordance with paragraph 3 of decision 10/CMP.1 only for the project chosen as a witnessing opportunity.
