COVER NOTE

1. Procedural background

1. At its eighth session, the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) invited the Joint Implementation Supervisory Committee (JISC) to continue to keep the joint implementation management plan under review and to make adjustments to it as necessary to ensure the efficient, cost-effective and transparent functioning of joint implementation. The JISC at its thirty-first meeting adopted its business plan and management plan (JI-MAP) for 2013–2014 and requested the secretariat to prepare a JISC workplan providing information on the work set for each meeting of the JISC in 2013.

2. Purpose

The workplan of the JISC for 2013 provides an overview of the issues to be considered by the JISC at each meeting. This allows planning the workload of the JISC for each JISC meeting and ensures efficient use of meeting time. The document indicates the work planned for the JISC at the meetings in 2013, based on the agreed business plan and the JI-MAP for 2013–2014. The workplan also provides information on products, that will undergo panel consultation as well as calls for public input.

3. Key issues and proposed solutions

2. The workplan provides information on the type of products the JISC will consider at each meeting, actions to be taken by the JISC and products, that will undergo panel or working group consultation as well as calls for public input.

4. Impacts

3. The workplan will ensure efficiency and transparency of the decision-making process and facilitate the management of the JISC workload.

5. Proposed work and timelines

4. It is proposed that the workplan be considered by the JISC at each meeting to take note of the updates based on new mandates of the JISC and the status of work during the year.

6. Recommendations to the Board

5. The secretariat recommends that the JISC approve this draft workplan for 2013 and request the secretariat to update the workplan for consideration of the JISC at each meeting, based on new mandates arising from the meetings and on the status of work.
