

Joint Implementation Supervisory Committee  
UNFCCC Secretariat

26 March 2012

Dear Sirs,

We hereby apply to the Joint Implementation Supervisory Committee and the UNFCCC Secretariat for replacement of UAB Veju spektras, the authorised project participant of the Joint Implementation (“JI”) project under the name **Rudaiciai Wind Power Park Project**, with Vydmantai wind park, UAB.

Rudaiciai Wind Power Park Project was initiated by UAB Veju spektras, a Lithuanian wind power company, and on 15.09.2011 following the reorganization of UAB Veju spektras and transfer of rights and obligations under the JI project, the JI project has been spun-off and transferred to the newly established private limited liability company Vydmantai wind park, UAB.

By the Letter of Approval issued on 5 April 2007 by the Ministry of Environment of the Republic of Lithuania, the Designated Local Point for Joint Implementation in the Republic of Lithuania, UAB Veju spektras or any future owner of the JI project under the name Rudaiciai Wind Power Park Project has been authorized as the project participant.

Whereas Rudaiciai Wind Power Park Project is now operated by Vydmantai wind park, UAB, so Vydmantai wind park, UAB should be registered as a JI project participant under the JI project Rudaiciai Wind Power Park Project (reference number 0025).

Please send your response or any further questions you might have to Vydmantai wind park, UAB as provided herein.

For further information relating to this letter, please contact:

Ms. Greta Gudzineviciute

Vydmantai wind park, UAB  
Address: A. Tumeno str. 4, Vilnius, Lithuania
