# Joint Implementation Supervisory Committee workplan for 2015 (status update)

Version 02.0

**United Nations**  
Framework Convention on  
Climate Change

## COVER NOTE

### 1. Procedural background

1. The Joint Implementation Supervisory Committee (hereinafter referred to as the JISC) at its thirty-sixth meeting approved the workplan of the JISC for 2015 and requested the secretariat to include in future versions of the workplan any new mandates arising from meetings and to provide an update on the status of work at each meeting.
2. This work is in line with the requests of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) to the JISC to ensure sufficient infrastructure and capacity for the mechanism's use by Parties until at least the end of the additional period for fulfilling commitments under the second commitment period of the Kyoto Protocol, and to keep the joint implementation management plan under review, making necessary adjustments to ensure the efficient, cost-effective and transparent functioning of joint implementation.

### 2. Purpose

3. The workplan of the JISC for 2015 provides an overview of the issues to be considered by the JISC at each meeting. This allows planning the workload of the JISC and ensures efficient use of meeting time. The document indicates the work planned for the JISC at the meetings in 2015, based on the business plan and the management plan (JI-MAP) for 2015–2016.

### 3. Key issues and proposed solutions

4. Changes to the previous version of the workplan are highlighted and the rationale for changes is also provided in the document.

### 4. Impacts

5. The updated workplan will ensure efficiency and transparency of the decision-making process and facilitate the JISC's management of its workload.

### 5. Proposed work and timelines

6. The secretariat includes in the workplan any new mandates arising from each meeting and provides an update on the status of work at the following meeting.

### 6. Recommendations to the JISC

7. The secretariat recommends that the JISC take note of the updated workplan and provide comments, as appropriate.
