Ref.: **Joint Implementation Project ERUPT-4 "Degasing of municipal landfill in Konin", hereafter referred to as "JI Project"**

Emission Reduction Units Supplier: Arcadis Ekokonrem Ltd., 50-512 Wrocław, Tarnogajska St. 18

Hereby I confirm that:

1. The Republic of Poland has ratified the Kyoto Protocol.
2. The Republic of Poland recognises the above mentioned project as a Joint Implementation Project, in accordance with the United Nations Framework Convention on Climate Change, the Kyoto Protocol to this Convention and the decisions, guidelines and modalities adopted by the Conference of the Parties of UNFCCC on the basis of aforementioned legal acts.
3. The total amount of 253 000 ERUs generated by the JI Project in 2008-2012 shall be reserved by the Republic of Poland.
4. The exact amount of ERUs generated by the project shall be verified by an independent entity, accepted both by the Polish and Dutch Party, and transferred to the Dutch Party.
5. The ERUs generated during the implementation of the JI Project shall not be sold, ceded or transferred to any third party, and shall not be subject to any deposit.
6. If the Kyoto Protocol shall not enter into force, the Polish Party shall consider transferring greenhouse gases emission reductions generated by the project "Degasing of municipal landfill in Konin" to the Dutch Party.
