## **Letter of Approval**

### **for project under Article 6 of the Kyoto Protocol**

### **Joint Implementation Mechanism**

Undersigned, as a legal and authorised representative of the Designated Focal Point for the Kingdom of Denmark under the Kyoto Protocol to the United Nations Framework Convention on Climate Change,

Noting that the Danish Ministry of Climate and Energy has confirmed that they are a project participant in the proposed Joint Implementation project "Reduction of greenhouse gases by gasification of Burgas Municipality";

Considering that the Project by fuel switch from liquid and solid fuels to natural gas is expected to provide a reduction in greenhouse gas emissions by sources that is additional to any that would otherwise occur;

declares that:

1. Denmark has ratified the Kyoto Protocol to the United Nations Framework Convention on Climate Change on May 31, 2002, and participates voluntarily in the Joint Implementation Mechanism;
2. Denmark approves "Reduction of greenhouse gases by gasification of Burgas Municipality" to be a Joint Implementation Mechanism project under Article 6 of the Kyoto Protocol and its underlying decisions;
3. Denmark approves and authorises the voluntary participation of the Ministry of Climate and Energy in the Project;

This letter of approval is issued in pursuance of § 21 a of Consolidated Act 348, 9<sup>th</sup> of May 2008 and Statutory Order no. 386 of the 27<sup>th</sup> of February 2008 and signed on behalf of the Danish Energy Agency in its capacity as the Danish Designated Focal Point for the Joint Implementation Mechanism:

Karim Arfaoui

Designated Focal Point for the Kingdom of Denmark
