Wrap-up session IV

Accreditation of Independent Entities

Langer Eugen

Bonn Germany, 9 August 2012

Break-out session IV: Accreditation of independent entities

Main issues discussed:

- Role of the GB with regard to accreditation and roles of a possible support structure that may be set-up
- Modalities of suspension of AIEs including possibility for an appeal
- Accreditation requirements for IEs.

Break-out session IV: Accreditation of independent entities

Action points / Proposals:

- Specify that the GB accredits AIEs in para. 45.
- Elaborate more the procedural requirements for accreditation in para 45.
- Provide clarify on whether there will a support structure for the GB (an accreditation panel) and specify its role and responsibility
- Suspension:
 - a) introduce full or partial suspension rather than just suspension.
 - b) Suspension shall be for a limited period of time: temporary suspension.

Break-out session IV: Accreditation of independent entities

Action points / Proposals:

- The possibility of an appeal of the IE/AIE against adverse decisions/recommendations shall be provided.
- Para. 44 a: Clarify whether the laws to comply with are where the entity is established or where it operates.
- Para. 44 d: Clarify whether the competence requirement for AIEs would be the same than those for CDM.
- Para. 44: Clarity the direction the GB would take in elaborating the accreditation requirements (alignment with the current CDM requirements?).
